

What are our current **VACCINE** choices in New Jersey

.....

Come and meet vaccine choice expert and author, Louise Kuo Habakus, who will discuss the current state of vaccination choices in New Jersey as well as offer up-to-the-minute information for parents and ways to get involved. Talk will be followed by a Q&A session and book signing.

Louise is the executive director and co-founder of the Center for Personal Rights, and the executive director of Dr. Whitaker's Freedom of Health Foundation. She is the lead editor of Vaccine Epidemic (Skyhorse 2012, 2011). Louise was a managing director for Putnam Investments, a corporate vice president for Prudential Financial, and a consultant with Bain & Company. She graduated Phi Beta Kappa from Stanford University where she also received a graduate degree in international policy studies.

You can pre-register by ordering her book, **"Vaccine Epidemic"**, for \$10 in advance or pay \$20 at the door. Checks can be made payable to Center for Personal Rights. To pay by credit card, the fee is \$12 via PayPal to the email: paypal@centerforpersonalrights.org.
